Follow-ups

Overall, how satisfied or dissatisfied are you with the new car wash functionality you looked at today?

Could you see yourself using this new car wash functionality in the future?

14
Yes

5
No

“Prefer paper ticket”

“Easier to just grab at the counter”

“I’d rather pay at the pump or do it at the register. I’m 53 yrs old so I prefer to do it old school and not online.”

“If we could redeem points for a carwash, I would use it for my boyfriend’s car. Lol i don’t drive”

Subscription car wash findings

Follow-ups

Overall, how satisfied or dissatisfied are you with the new car wash functionality you looked at today?

Could you see yourself using this new car wash functionality in the future?

16
Yes

3
No

“I would just buy inside. I usually don’t use online app to order items from Casey’s. I just go in.”

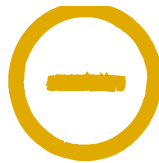

Wash Wallet

What do you think of the name "Wash Wallet"?

21

I like it!

14

It's okay.

5

It could be better.

"Car washes are here!"
"Wash bucket"

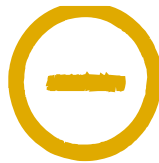

Checkout

Would you expect to be able use the app to purchase a car wash and fresh food like a pizza in a single transaction?

31

Yes

1

It's complicated

8

No

“check out process is confusing”

License plate & state info

Were you expecting to provide a State and License Plate Number?

7
Yes

13
No

This was only asked on subscription flow

Overall car wash comments

“Just want to show the attendant a code. Hate QR stuff.”

“I feel amazing specials are going to be coming and I could use a car wash special like 1 free for every five purchased.”

“Using points to redeem a carwash.”

“I think the car washes should be on the rewards page for deals as well. But I think if you get a supreme car wash should be able to get the vacuum for free since we do pay for extra added stuff for the car wash.”

“What if you already a basic wash in your wash wallet. show me where you can pay the difference to upgrade to a works wash.”

Next steps

Moderated usability testing
with a high-fidelity prototype.
